Institut für Angewandte Geowissenschaften -
Abteilungen Aquatische Geochemie / Geochemie
und Lagerstättenkunde

KIT - Karlsruher Institut für Technologie,
Campus Süd

Adenauerring 20b, Gebäude 50.40
76131 Karlsruhe

Date and place of birth

27.02.1966, Bremen

Present positions

since 10/15 apl. Professor at Karlsruhe Institute of Technology

since 05/15 Honorary Professor for Geoecology at the Technische Universität Bergakademie Freiberg

since 03/13 Head of the Research Group of Environmental Mineralogy and Environmental System Analysis at the Institute of Applied Geosciences and the Institute of Geography and Geoecology, Karlsruhe Institute of Technology

Present academic responsibilities

since 01/16 Speaker of Commission 8 "Soil in Education and Society" of the German Soil Science Society

since 10/15 Member of the KIT Senate as representative of Academic Staff

since 10/15 Academic Dean for Geosciences at the KIT-Department of Civil Engineering, Geo and Environmental Science

since 2009 Member of the Editorial Board of the Journal "Chemie der Erde" (Geochemistry)

since 1998: Subject Editor for Urban Soils and Soil Mineralogy of the "Journal of Soils and Sediments"

Previous positions

05/11 – 04/15 Visiting Professor for Geoecology at the Technische Universität Bergakademie Freiberg

10/10 – 02/13 Head of the Institute of Geography and Geoecology, Karlsruhe Institute of Technology

04/09 – 02/13 Acting Chair of Physical Geography and Geoecology at the Institute of Geography and Geoecology, Karlsruhe Institute of Technology

02/01 – 03/09 Post Doctoral Research Associate at the Institute of Mineralogy and Geochemistry, University of Karlsruhe (TH)

04/96 - 01/01 Scientific Assistant and PhD Student at the Institute of Petrography and Geochemistry, University of Karlsruhe (TH)

02/96 - 04/96 Part-time Scientific Assistant at the Institute of Geography and Geoecology, University of Karlsruhe (TH)

05/95 - 12/95 Consultant for the Gesellschaft für Technische Zusammenarbeit (GTZ) in Sana'a/Jemen within the project: "Planning Assistance for Urban Development"

Academic training

2007 Habilitation in Mineralogy, Universität Karlsruhe (TH)

2001 Dr. rer. nat. (Ph.D.), Universität Karlsruhe (TH)

1994 Diploma in Geoecology, Universität Karlsruhe (TH)

1987 – 1994 Studies in Geoecology, Universität Karlsruhe (TH)
